

Architectural drawing of a building facade. The drawing shows a long, low building with a series of windows. The facade is divided into sections by vertical lines. The windows are arranged in a row, with some having decorative elements. The drawing includes elevation markers on the right side, indicating heights in meters (m) and feet (ft). The markers are: +10.500, +9.270, +7.50, +5.350, and 0.000. The drawing is oriented horizontally, with the building's length running from left to right.

Architectural drawing of a building facade, showing a grid of windows and elevation markers. The drawing is oriented vertically, with the building's facade on the left and the ground line on the right. The facade is divided into four main sections by vertical lines. Each section contains a grid of windows. The windows are represented by light blue rectangles with black outlines. Some windows have dashed lines indicating internal divisions or reflections. The ground line is a horizontal line with a hatched pattern below it. Elevation markers are placed along the ground line, indicating heights in meters. The markers are as follows:

- Top left: ± 0.000 and -0.115
- Top right: ± 0.000 and -0.115
- Below the first section: ± 5.80 and ± 3.380
- Below the second section: ± 7.150 and ± 3.380
- Below the third section: ± 9.230 and ± 3.380
- Below the fourth section: ± 10.500 and ± 3.380
